To

Dr AM Ramesh
CEO, Karnataka Science and Technology Academy (KSTA)

Respected Sir,

With this letter, on behalf of Surana College (Autonomous), we are writing to thank you for your immense guidance and support in conducting a workshop at our premises. We are also thankful for the provided grant of rupees 30,000/- (Thirty thousand only), to conduct the workshop titled "Scientific Document Writing using LaTeX." Finally, we are happy to share that the workshop has succeeded and provided an excellent platform for LaTeX enthusiasts from various institutions.

We have enclosed the bills and related documents along with this letter for further review.

As an institution with ambitions, we look forward to more collaborations with KSTA in the upcoming days.

Thanking you

Dr Bhavani MR

About Surana College

Surana College, (est. 1995) under GDA Foundation Trust is affiliated to Bangalore University and approved by AICTE has been awarded the autonomous status in 2022. Reaccredited by NAAC with 'A+' grade for the quality education, the institution has been catering to all sections of society on need-based quality education.

About KSTA

The Karnataka Science and Technology Academy (KSTA) is an organization established in 2005 to promote science and technology-related activities in the Indian State of Karnataka. It functions under the Department of Science and Technology of the government of Karnataka. The KSTA organizes programmes and conferences across Karnataka with an aim to "bring scientific awareness" and "popularize... science among general public."

Details of the workshop

Often writing a document, a research paper or a report consumes a lot of time for typesetting. The structuring of a document is a very important step and people tend to look at the text editors and document processors as an option for editing. However, there exist many faster ways of editing and structuring a document. **LaTeX** offers a high-quality typesetting environment for documentation. **LaTeX** is the de facto standard for the communication and publication of documents.

The 2-days workshop is intended to offer a hands-on **LaTeX** experience to the research scholars, post-graduate students, and educators alike. It also covers error and package handling in **LaTeX**. After the completion of the workshop the participants will be able to create publish-quality research papers for SCOPUS, WOS, ABDC and Index Journals as well as structured reports.

Registration start date:	30 th April 2022
Last date to register:	02 nd June 2022
Workshop dates:	07 th , 8 th June 2022
Max. number of participants:	40
Registration Fees:	INR 600 (students) INR 1000 (Others)

Also, upon the successful completion of the workshop the participants are entitled to receive a certificate, a user manual, and an end-to-end support for a year on the usage of LaTeX for document editing.

1. Is the grant obtained from KSTA helpful for organizing the program?

Yes.

2. How many participants attended the program and where are they from?

A total of 30 participants attended the workshop. Among which 4 were from outside Bengaluru (2 from Ballari and 2 from Chitradurga to be specific). The rest were from various parts of Bengaluru.

3. Has your program helpful to the participants?

Yes. The participants have expressed their productive time spent during the workshop in their feedback. They were extremely happy on the outcome as offline LaTeX workshops are very rare to find.

4. Have you received any feed backs from the participants?

Yes. The feedback form was shared with the participants on the second day. The responses are captured at: <https://shorturl.ae/gJb24>

5. Have you obtained any other additional grant for your program?

No.

6. Impact on your institution and public:

The workshop was a great opportunity for our institute as it was a very first of its kind (on LaTeX). The participants too expressed their gratitude towards the organizers (Surana College and KSTA) for the opportunity. The workshop offered a unique tool for documentation which proposes a platform for creating publish-quality documents.
