Doc-1 Details of Subscriptions of e-Resources

Surana College Library subscribed to NLIST and DELNET for e-Journals and e-Books since 2012-13. This year 2021-22 also renew its subscriptions for the year.

The N-LIST project provides access to e-resources to students, researchers and faculty from colleges and other beneficiary institutions through server(s) installed at the INFLIBNET Centre. The authorized users from colleges can now access e-resources and download articles required by them directly from the publisher's website once they are duly authenticated as authorized users through servers deployed at the INFLIBNET Centre.

DELNET has been established with the prime objective of promoting resource sharing among libraries through the development of a network of libraries. It aims to collect, store, and disseminate information besides offering computerised services to users, to coordinate efforts for suitable collection development and also to reduce unnecessary duplication wherever possible.

Many numbers of e-books and e-journals are available through NLIST/INFLIBNET and DELNET.

Apart from the above, digitized (pdf) version of previous years Question Papers (https://bit.ly/3ittHq5) and SCL- One Reference Library (https://bit.ly/33MtHeZ) are made online available to users. Users can access the same without any charges n anywhere and anytime.
