World Organ Donation Day - Webinar

Student Council conducted a webinar “**Organ Donation – Life After Death**” on account of **World Organ Donation Day, 13th August 2021, Friday at 2 pm.**

Resource Person :Dr. Rajesh Parekh, Senior Consultant, BhagwanMahaaveer Jain Hospital and Vikram Hospital; Professor of Ophthalmology International Medical School (Malaysia – Ramaiah)

Dr. Rajesh Parekh explains about the **life even after death**, some organs of the body can be preserved and stored. If these organs are donated, it might save somebody else’s life. The rate of organ donation has significantly increased due to the number of successful cases. Organ Donation is defined as the removal of organs from a body and transplanting it to a new body by surgical means. The requirement for new organs usually arises when a person loses an organ to some accident or stops functioning.

Ex: Liver, Retina, Heart, Kidney etc...

Organ transplant depends on the availability of human organs. Organ transplantation is the only way of saving lives of patients who have had terminal organ failure. A person can sign up and register for donating his organs. In this case, a person voluntarily consents to donate his organs after his death. After he passes away, the doctors remove the eyes and other organs that can be preserved from his body and stores them. These donated organs are used to help patients in need of organ transplantation.

Also, if a person is declared brain dead by doctors, his family members can officially consent to donate his organs. Such cases usually happen when a patient is desperately in need of an organ and delay can be fatal.

So, the speaker of the webinar explained the need, importance and all other details regarding the organ donation.

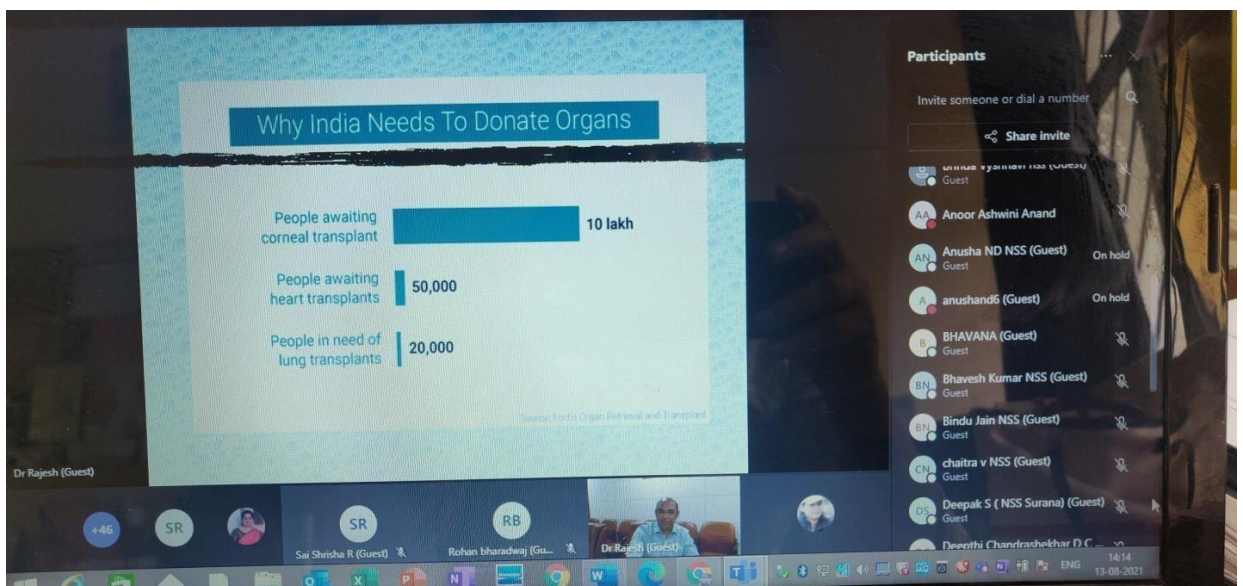

“Recycle Your Life - Become an Organ Donor”

“Give Some One a Second Chance - One Organ Can Save 8 Lives” “Be a Donor, Be a Hero”

“Nothing Can Be Better Than Helping Someone after Your Death When You Donate Your Organs”

Outcome :

1. Participants understood the importance of Organ Donation.
2. Participants were motivated to donate organs – life after death.

AWARENESS ON ORGAN DONATION

13th August 2021

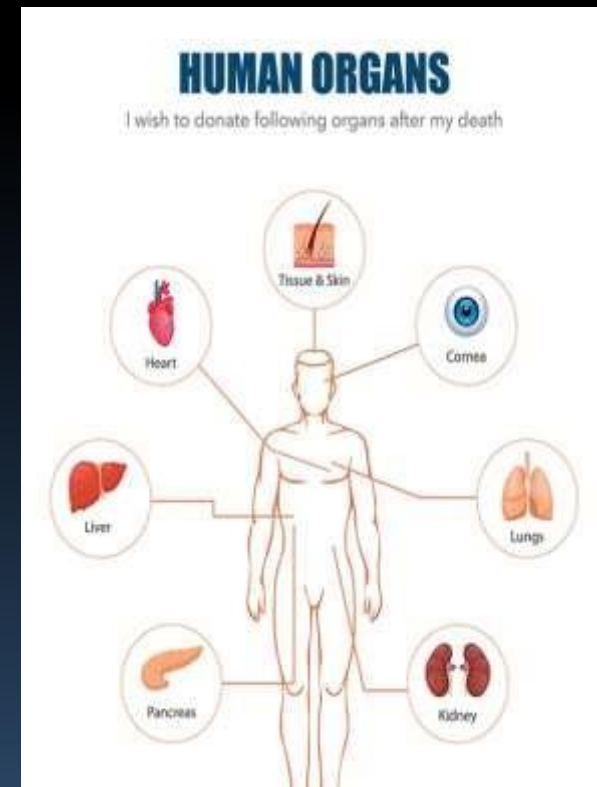

What is Organ Donation Day? Is it Important to donate Organ ?

- Organ Donation is a noble Act.
- A deed that could be done to save the lives of people even after the donor is dead.
- Donating organ is highly valued, as it is gifting or saving the life of someone.
- The motive of Organ Donation Day is to raise awareness about the importance of organ donation and to motivate people for donating organs after their death.

How Donation Saves Lives ?

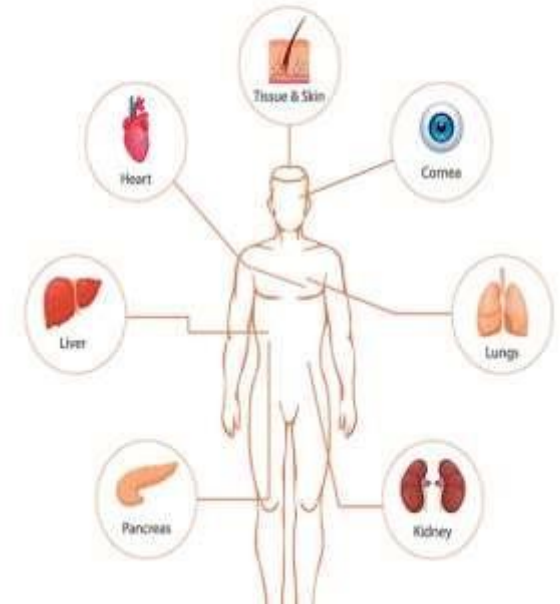

- **One Organ Donor** can save up to **Eight Lives** and enhance 75 others through organ, eye and tissue donation.
- Nearly 114,000 Americans are currently waiting for an organ transplant, nearly 22,000 live in California. An organ transplant is their only remaining medical option.
- On average, 150 people are added to the nation's organ transplant waiting list each day—one every 10 minutes.
- Sadly, an average of 22 patients die every day while waiting, simply because the organ they needed was not donated in time.

How Donation Saves Lives ?

HUMAN ORGANS

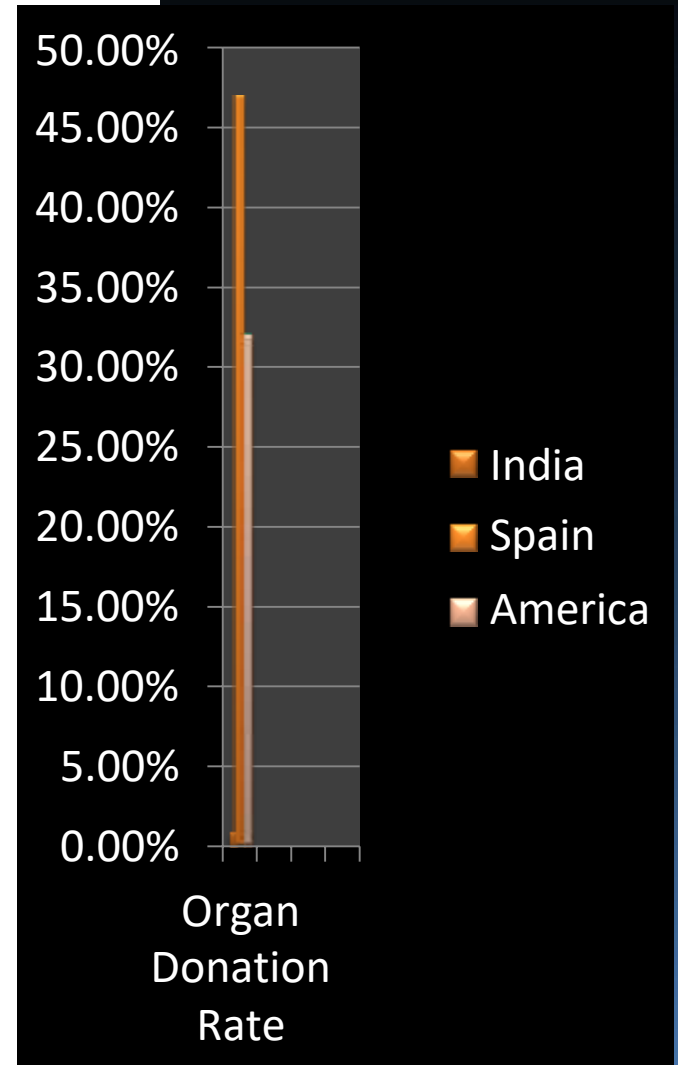

I wish to donate following organs after my death

- Approximately 98 organ transplants take place every day in the United States, that's more than 36,000 people who begin new lives a year!
- A living donor can provide a kidney or a portion of their liver, lung, pancreas or intestine to someone in need.
- More than 1 million tissue transplants are performed each year and the surgical need for tissue has been steadily rising. Corneal transplants, meanwhile, restore sight to 50,000 people each year

Current Organ Donation Rate

- Every year around 5 lakh people die due to organ failure in India. This could be due to accident or the failure of specific organs.
- Organ transplantation can help in saving the life of people who have been fighting to survive.
- Current organ donation rate is very poor in India.

About The Organ Donation Process

- Organs are allocated according to medical need, blood and tissue type, height and weight. Celebrity status and wealth are not considered.
- It is against federal law to sell organs and tissues.
- Anyone, regardless of age or medical history, can sign up on the Donate Life California Registry at the DMV (must be at least 13 years of age to sign up online.) Families of registered donors under the age of 18 must still consent to donation before it can be carried out.
- You can sign up by checking “YES!” at the DMV when applying for or renewing your driver license or ID.

What Happens if you become A Donor?

- When you are admitted to the hospital the number one priority is to save your life. Two doctors not involved in organ and tissue donation must declare you brain dead before organ and tissue donation can be considered.
- An open casket funeral is possible for organ, eye and tissue donors. The body is treated with dignity, care and respect throughout the entire donation process.
- There is no cost to the donor or their family.

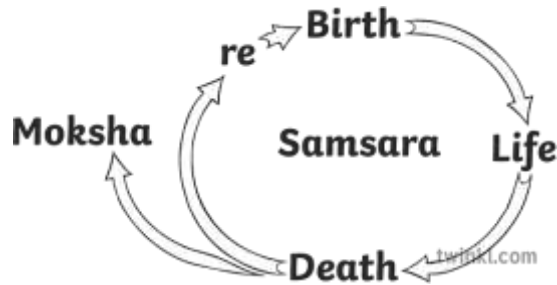

Who Can Be An Organ Donor ?

- Anyone can become a potential organ donor regardless of age, ethnicity or medical history.
- All major religions support or permit organ, eye and tissue donation. Find out about your faith's [religious views on organ donation](#).
- More than one-third of all deceased donors are age 50 or older, and nearly 10% are age 65 or older

DONOR ❤️

Hindu Myth

The principles of Karma says, If someone donates an organ, the recipient will have to return the favor to donor's next life.

Note: *According to Shaunaka Rishi das of the Oxford Center for Vaishnava and Hindu studies, most Hindus take views that after the soul has departed, the body is no more than a machine.*

MYTH-BUSTERS

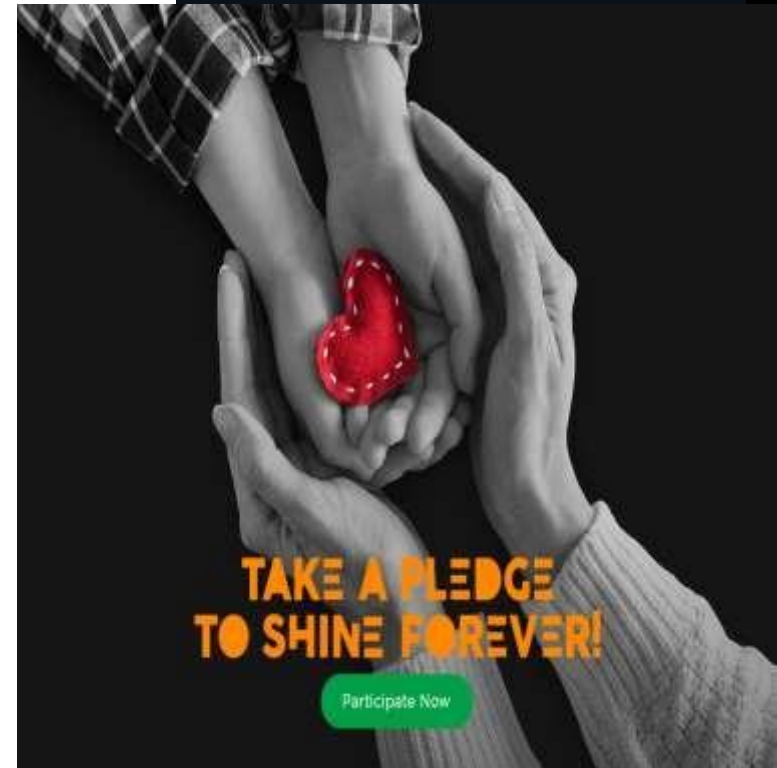

Myth vs Fact

- Religion bars organ donation/ No religious law prohibits people from donating organ & tissues.
- *he donor's family is charged for donating organs/ A donor's family is never charged for donating organs. If a family believes it has been billed incorrectly, it should immediately contact the local organ procurement organization and rectify matters*
- *I'm under age 18. I'm too young to make this decision.*
Fact: That's true, in a legal sense. But your parents can authorize this decision. You can express to your parents your wish to donate, and your parents can give their consent knowing that it's what you wanted. Children, too, are in need of organ transplants, and they usually need organs smaller than those an adult can provide. There's no defined cut-off age
- *Only the heart, liver and kidneys can be donated.*
Fact: Other organs such as the pancreas, lungs, small and large intestines, and the stomach can also be transplanted. Moreover, tissues such as skin, bone, heart valves and tendons can be donated too.

One this day, let us come forward and fulfill our duty as true Indian citizen by sharing the knowledge about organ donation which can save many lives even after we leave this planet.

THANK YOU

Panel Discussion

“Help India beat Covid – 19, the second wave”

Your Queries will be Answered!

Student Council conducted a Panel Discussion on **May 15th 2021, Saturday at 11 a.m.** via MS Teams to address the queries regarding the current scenario of Covid – 19. This panel discussion was open to all the parents, faculty and students. The topic of the panel discussion is **“Help India beat Covid – 19, the second wave”**.

The Resource Person of the panel discussion were –

1. **Dr. Gururaj Satyanarayan**, *Anaesthesiologist, Brindavan Hospital, Mysore*
2. **Dr. Shoba Rani**, *Associate professor, Sushrutha Ayurvedic Medical College, Bangalore*
3. **Asst. Prof. Bhavana S.**, *Dept. Of Psychology, Surana College, Bangalore*

First few minutes were taken over by each panelists and they spoke about the current situation in their perspectives. Later, participants were allowed to question the panelists and few questions which were collected via google registration form were also asked by the moderator.

Few questions that was asked are as follows –

1. Do we really need to get tested if we have any short breath problem, rather not having any other symptoms?
2. Do wave 3 effect children? Is there any age limit, like 12+?
3. What happens when the 2nd dose of vaccine is delayed?

4. Taking vaccination causes side effects or harms us - Is that true news or rumours?
5. How infectious and transmissible is the current strain of the virus?

Dr. GururajSatyanarayan spoke about current situation since he is currently working with Covid-19 patients. He answered many questions regarding care taking of symptomatic and asymptomatic patients. He mentioned many precautions for asymptomatic patients.

Dr. Shobha Rani explained about Ayurveda with respect to Covid and mentioned few home remedies as preventive measures of Covid –19. She also mentioned few care tips for morning routine to lead a healthy life.

Asst. Prof. Bhavana spoke about mental health and mentioned few tips to keep up happy mind and pure soul.

This Panel Discussion had more than **280+ registrations**. And **360+ participants** had attended the session. Many parents asked Covid-19 related queries to the resource person. This session was successful and was much productive in this pandemic time.

Few Honest Feedbacks -

- A wonderful session required and acquired.
- It was great, where I got more information about covid-19 and about vaccine.
- It was very helpful. And cleared so many doubts about on going pandemic. So it was good!
- The panel discussion was very informative and the panel members were highly educated and gave idea and tips regarding

the Covid -19 and told how to come out of the fear about the pandemic. Thanks for the opportunity.

- An informative session, got to know lots about how to face this pandemic.

Outcome: All the queries regarding the current scenario were answered which was much serviceable.

“Budget 2021-Deciphering India Inc”

“Budget is not just the series of number but it’s a way of organising life..”.The event was organized to analyse & understand the **Union budget 2021**. It was mainly arranged to give our students a better understanding as to why our Union Budget is important, how to analyze and how to understand the budget, what are its key take aways and what is the use of understanding the Budget.

Program details

Program was started at 11.00 am with a wonderful student gathering of a combination of streams which made the session livelier. The session was started by Mr.Punith who gave the exact clarity about how to analyze the data from the budget. Sir also specified and made the presentation so lively that right from the meaning of technical terms gave clarity to the gathering. He explained about the V shaped recovery of our economy, our GDP growth rate where from -7.7 % it is now 11%.

He gave many insights about the various government programs like Ujwala Yojana, AtmaNirbhar Bharat Abiyan, Infrastructure related information like our Railways where the importance was brought in about the system through National Rail Plan. He also gave insight about the agricultutre importance that was given by the union

budget, how rupee comes into the economy and how is it been spent in the economy. To sum up, he gave the exact gist about the expenditure and receipts at a glance.

After Punith sir's Session, Ramakanth sir took over the session wherein he gave the insight about the philosophical approach about the budget, how it was actually started, why is it important not to take Free beez from the government as it will impact directly to us. He also gave information about why a fiscal policy is important and how does it impact the nation. He has also given the insight about the importance of budget allocation to various sectors of the economy and how does it have an impact on everyone's life. He has also gave the importance of the economic leaders and how their decision makes a change in everyone's life.

Then the stage was open to the Q & A session where many students asked many questions regarding their queries about the budget. It was genuisly answered by the guests which was moderated by Prof.Narendra and Prof.Chandana and the event was concluded by proposing vote of thanks by Prof. Dhanu.

Samvaad

Student Council in association with Department of Psychology had organized "**Samvaad – For your mental peace and well-being**". In this event, any person whose current scenario has left them go through mental issues like anxiousness, stress, loneliness, depression etc., could seek help for those concerns. This event started from **20th May 2021, Thursday**. The problems were addressed from **4 p.m. to 7 p.m.**

For this event, many students were trained to do counseling for the public. This training was conducted by **Asst. Prof. Bhanvana S., Department of Psychology**. The training happened from **19th May to 25th May 2021**. Certificates were provided to all the participants who were a part of the training session.

Our trainers also counseled many people who turned with problems over calls, messages and e-mails.

Faculty Coordinators:

1. Bhavana (HOD of Dept. of Psychology)
2. Chandana (Chairperson of Student Council)
3. Navya (Deputy Chairperson of Student Council)

Student Coordinators:

1. Shrisha (Vice-President)
2. Bindhya (Editorial Head)
3. Sneha (Discipline Head)

This was very satisfying and productive event.

Outcome:

- Students learnt how to cope up with mental health and maintain good mental status
- Trainers learnt the basics of counseling.

Mandala Workshop

Mandala workshop was conducted on **31st May 2021, Monday** on account of **Buddha Purnima**. The workshop started around **1.15 p. m.** and was extended up to 2.30 p. m.

The trainer was **Sneha S Nair, Joint secretary of Student Council**. She started with the insights of Mandala art and demonstrated one as a sample. And the art was followed by the participants simultaneously.

Mandala which is Sanskrit for “circle” or “discoid object,” is a geometric design that holds a great deal of symbolism in Hindu and Buddhist cultures. While extraordinary as a standalone work of art, mandalas hold symbolic and meditative meaning beyond their vibrant appearance.

This workshop was a great learning and had upto **120+ attendees** making it a successful event with no technical glitches. E-certificates was given to all the participants.

Few Honest Feedbacks:

- Good and informative, discussed everything very clearly.
- The session was good to acknowledge some good ideas and thoughts.
- The mandala art which was done was so nice for me like an artist, it was really an inspirational workshop. Thanks for the opportunity!
- Brief info about Mandala art and it's origin was useful. Since time was limited, learnt very less.

Outcome:

1. Student was given a chance to be a resource person, hence it fills in confidence in them.
2. Participants acquired knowledge about the history and basics of Mandala Art.

Green Initiative:

Student Council organised Swachh Bharat Swasta Bharat on the occasion of 151st Gandhi Jayanti on 2nd October 2020 at Armugan Ground, South End circle .

Students promoted awareness regarding cleanliness and health. They successfully completed cleanathon drive at the ground and also planted a neem sapling.

Simultaneously, volunteers also distributed water bottles to the needy .

International Elephant's Day

Student Council released a video on account of *International Elephant's Day - 12th August 2021, Thursday.*

World Elephant Day is celebrated on August 12 every year. Inaugurated in 2012, this day brings attention to urgent plight of Asian and African Elephants. They are in danger due to poaching for ivory, loss of habitat and harmful farming practices.

World Elephant Day promotes awareness of the Preservation of the magnificent creatures.

Some interesting facts about the Majestic Pachyderm –

- Elephants are extremely intelligent animals and have advanced problem-solving skills.
- Elephants have extremely slow pulse rate, around 27 beats per minute.
- An Elephant's life expectancy is 60 – 70 years.
- Elephants have the longest pregnancy, lasting 22 months from conception to birth.
- Elephants can give birth until they are 50.
- Elephants spend about 16 hours of each day eating.
- Elephants need to consume 150-200 kilograms of food per day to be well-nourished.

- An elephant's tusk continues to grow throughout its lifetime.
- Elephants have terrible eyesight, however a very strong sense of smell too.
- In addition to their famous Trumpet Blast, Elephants also purr as much as cats do.

The video also included the tips to follow when the elephant attacks –

Tips to follow when it attacks!

- * Watch the ears. If they are out, chances are it's a mock charge.
Respect the elephant and move away.
If ears are back, then you should be worried.
- * Try "shooing" the elephant by making lots of noise.
This works best if you are in a vehicle.
- * Throw a decoy for the elephant to attack
* Run faster(zig-zag) than the slowest person in your group top your car and wait.
Thats all you could do.

*** Just reverse and put a decent amount of distance between you and the elephants! Don't honk**

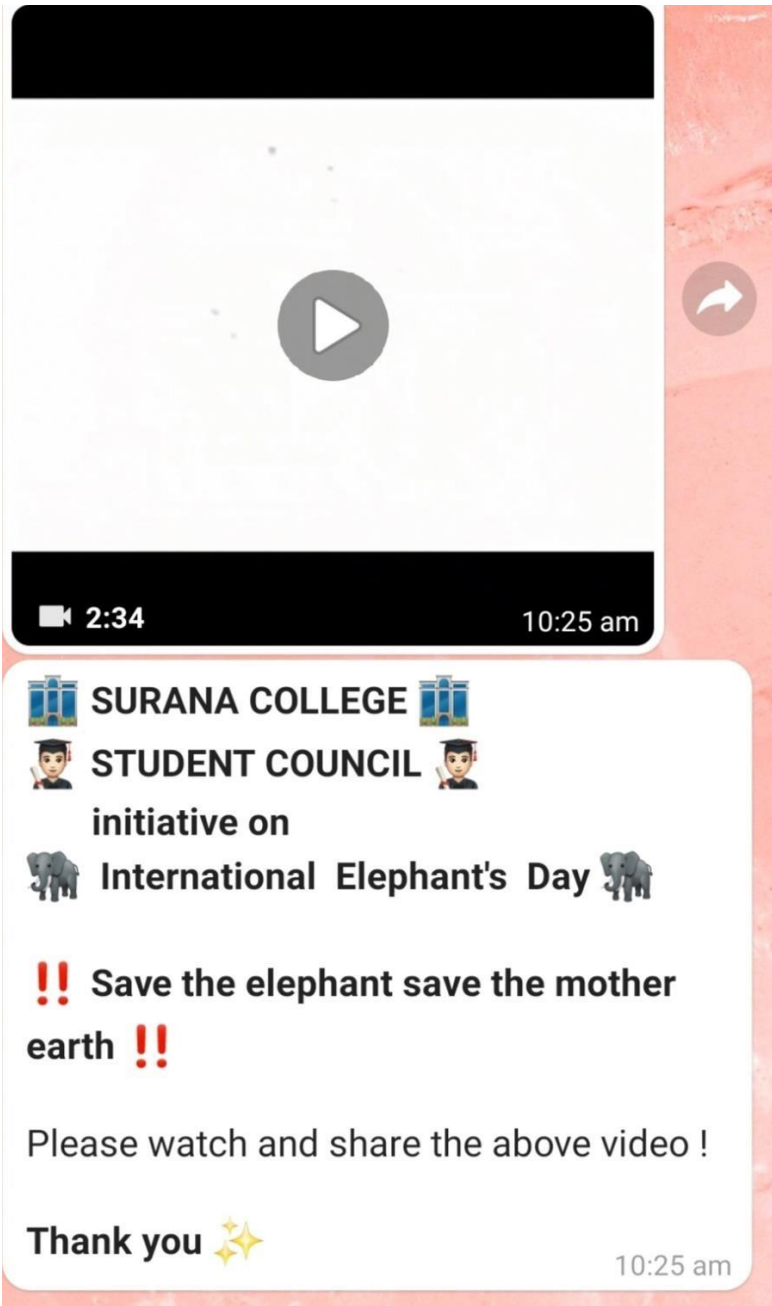

- * If you're near or inside a vehicle and you can maneuver it quickly, drive off. Be warned though, if the elephant is already close to the vehicle, it may charge the vehicle and you risk being tipped over and pounded
- * switch of your lights, leaving the parking lights on so that you will be able to see something.

Outcome :

- Importance on saving elephants.

International Tiger's Day

Student Council released a video on account of ***International Tiger's Day - 29th July 2021, Thursday.***

This video initiated awareness on Adoption of Tigers.

Tigers are the largest cat species on Earth. They are among on of the endangered species.

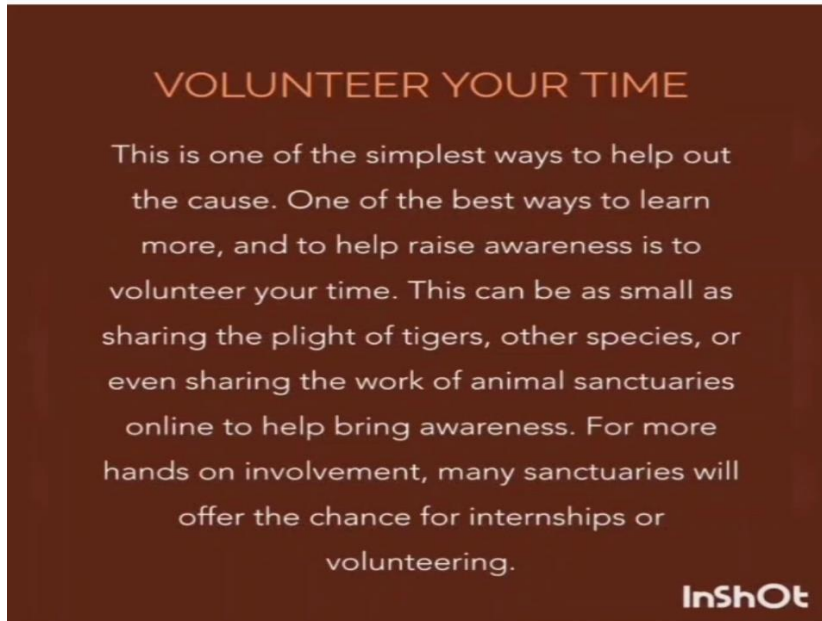

Tigers have lived on this planet over 2 million years. But 3,200 are left in the world. The reason for the decline for tigers is whiskers, skin, bones, teeth, claws, penis, eyeballs, fat, nose, tail, bile, brain.

Tiger parts are used for traditional Asian medicine or folk remedies. Certain parts are used for good luck. Certain parts are used for status symbol.

Extinction of tigers will lead to imbalance in the eco-system.

The video quotes ***“Respect them and protect them before its too late. Save Tigers Now!”***

Awareness on Tiger Adoption -

Outcome :

- Importance on saving tigers.
- Awareness on Tiger adoption.

World Food Safety Day

Student council hosted a Student Webinar on account of **World Food Safety Day**

• ವಶಿಶವ ಆಹಾರ ಸುರಕ್ಷತಾ ದಿನ. This webinar was dated **7th June 2021, Monday at 1 p.m.** The topic of this webinar was **“Safe food today for healthy tomorrow • ಇಂದಿನ ಸುರಕ್ಷಿತ ಆಹಾರ, ನಾಳೆಯ ಆರೋಗ್ಯ”**.

The speakers of this webinar were-

1. **Anusha KP**, Social Media Coordinator, Student Council
2. **Arpitha AG**, Student Council Member

Here, the speakers spoke about awareness of food wastage. Speakers also explained about the process of rice growth. A special guest Mahesh D, who is a farmer and a teacher by profession spoke very effectively about struggles of a farmer in growing food.

At the end of the session oath was read by the speakers and was followed by all the participants. The oath was as follows –

I, Anusha will not waste any food and will try my best to prevent the wastage of food when it comes to my acknowledgement. I take this pledge in the name of food and abide to my oath.

ಅರ್ಪಿತ ಎಂಬ ನಾನು, ಊಟವನು ವಯ ಥರ ಮಾಡುವುದಿಲ್ಲ ವಂದು
ಹಾಗು ಷುಗ್ಲನಕ್ಕೆ ಬಂದಾಗ ಆಹಾರ ವಯ ಥರವಾಗುವುದನು ಆದಷ್ಟು
ತಡೆಯಲು

ಪರ ಯತ್ನ ಸುಕ್ತೆ ನಂದು ಅನು ದ ಹೆಸರಿನಲ್ಲಿ ಪರ ಮಂಣ ಮಂಡುಕ್ತೆ ಿನ.

More than **110+ participants** were a part of this online food wastage awareness drive.

Few Honest Feedbacks:

- It was informative and insightful !
- It told everyone not to waste your food. We know about how we got food.

- The concept and execution of this webinar was well structured. Only problem was some network issues.
- I found this meeting really helpful. One of the most informative seminar, I have ever attended. Thanks for organizing and a very special thanks to the great speaker.

Outcome:

1. Awareness on food wastage
2. Student was given a chance to be speaker, hence it fills in confidence in them.

Lets Nacho – Solo Online Dance Video Contest

Student Council conducted Inter-collegiate Dance competition - ***“Lets Nacho – Solo Online Dance Video Contest”*** on account of ***International Dance Day – 29th April 2021, Thursday.***

Students under **age group 16-20 years** were allowed to participate. Students were restricted to **perform only Bollywood, Freestyle, Lyrical or Semi-classical.**

E-certificates were issued to all the participants and cash prizes to the winners – **1st prize (Rs. 2000/-), 2nd prize (Rs. 1000/-) and 3rd prize (Rs. 500/-).**

This event was judged by ***Naveen Gowda*** who is an artist and choreographer with 7 years of professional performance. He was also an alumni of Surana College. The participants were judged on their attire, song selection, creativity, style, video quality and overall presentation. The decision of the judge was final and binding.

More than ***45+ participants*** from ***20+ colleges*** took part in this event. And nearly 35+ video clips were amazing, Student Council was glad to receive so many responses in the pandemic.

Winners of this event were announced on 8th May 2021, Saturday at 8 p.m. on our Official Surana College Instagram page.

Outcome:

- To escalate the zeal and creativity of students during this pandemic.
- Promotion of the college activities for admission purposes.

COVID-19 Screening of SSLC Students in Karnataka

As per the directives from State Government, the much-awaited examination for SSLC Students is scheduled on 19 July (Monday) and 22 (Thursday) July 2021.

Education Board has taken a slew of measures like increasing the number of exam centers and reducing the number of students in a room to ensure the coronavirus disease doesn't create any problem.

To mitigate the possibilities of COVID-19 infection 8.76 lakh students will appear at 4884 examination centers in 73,066 examination halls which have been increased from last year's 48,000 classrooms with only one student per bench to maintain physical distancing, as per guidelines. Students writing the exams cannot be failed. Earlier, the exams for six subjects were held for over six days, but this year, it has been divided into two days -- one day for core subjects; and the second for languages. Each subject will carry 40 marks and the exam will be in multiple-choice question (MCQ) formats for three hours from 10:30 AM to 1:30 PM.

To ensure COVID-19 Safety protocol at the SSLC Examination centers, **Youth for Seva (YFS) on behalf of Karnataka Secondary Education Examination Board (KSEEB) requests Surana College, Bengaluru to deploy 100 NCC Cadet student volunteers to coordinate COVID-19 screening of SSLC students appearing examinations.** COVID-19 Symptom screening is intended to reduce transmission from a potentially infected person to others. Students with serious symptoms/infection are then kept from entering a setting to reduce the risk of spreading the virus that causes COVID-19. Screenings can be conducted in many ways and may range from assessing for only one symptom of COVID-19 (e.g., daily temperature checks to assess for fever) to assessing for multiple or all known COVID-19 symptoms.

Surana College, Bengaluru, Coordination

- 1) **Surana College Faculty Mentors** will select 02 Volunteers for each examination center at across 50 Examination Centers in Bengaluru. Faculty Mentors will also coordinate between YFS Chapter coordinators for volunteer mapping/allotment of volunteers at select examination centers across Bengaluru. **Only COVID Vaccinated students /faculty members are allowed to volunteer at the examination centers** as per the guidelines from Education Department.
- 2) **Role and Duties of Volunteers:** 02 Volunteers for Screening SSLC students at the examination center, Documenting the Health Status of Children and reporting the same to the concerned Examination officer and capture photographs, videos, and events.

10th Examination Thermal screening

On **19th July (Monday) and 22nd June (Thursday) 2021**, SSLC exams were conducted by the board. Our students volunteered to thermal check/screening.

To ensure COVID-19 Safety protocol at the SSLC Examination centers, **Youth for Seva (YFS) on behalf of Karnataka Secondary Education Examination Board (KSEEB) requests Surana College, Bengaluru to deploy 100 NCC Cadet Student volunteers to coordinate COVID-19 screening of SSLC students appearing examinations.** COVID-19 Symptom screening is intended to reduce transmission from a potentially infected person to others.
