ENVIRONMENTAL COMMITTEE

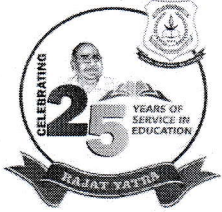

POLICY DOCUMENT ON THE GREEN CAMPUS

INTRODUCTION

Green initiative in campus is practicing environment friendly initiatives to promote sustainable and eco-friendly practices. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigm by creating sustainable solutions to environmental, social and economic needs of the mankind. The college is ideally located within pleasant locality of Bangalore is a huge campus amidst the luxurious green fields. The good visionary Sri. G.C. Surana had made the campus eco-friendly by making numerous arrangements like drip system for watering the plant, proving the campus with LED bulbs for energy conservation, providing the pits for rain water harvesting, plastic free Campus, conducting bicycle rally for creating awareness on conservation of energy.

ENVIRONMENT POLICY OF THE COLLEGE

- To create awareness regarding environmental policy amongst the students, faculty, administrators and the management.
- To take care of pollution free campus- to bring awareness among students regarding ill effects of chewing tobacco, pan-masala etc.

PLAN AND IMPLEMENTATIONS

For effective implementation of Policy on the green campus, Environmental committee has been constituted at the institutional level. The committee meets quarterly once and reviews action taken on the policy and suggest for implementation of varied activities as mentioned below within the campus for maintaining green campus.

- Planting of trees.
- Display of signage boards regarding not to walk on lawn, don't pluck the flowers, use pedestrian path for walk etc.
- Rain water harvesting structure.
- Keeping segregated dry and wet waste dustbins within the entire campus.
- Use of LED bulbs within the campus for energy conservation.
- Recycling of used water.
- Make the campus Plastic free.
- Conducting bicycle rally for creating awareness on conservation of energy.
- Providing purified (RO aqua-guard) beverage facilities on the campus.
- Plan for conducting green and energy audit.
