SKETCH INDIA

The difficulty level of 'Know Our Constitution' initiative was little high for the children. Hence our member Rtr. Nithya V. initiated this creative way of evoking the feeling of love and patriotism towards the country. The idea of this project was to target the young children and to tell them about the historical importance of our nation (Independence and Republic day). The buds of young India were then asked to sketch something that reflects love towards our National Flag. Around 15 children participated varying at different levels of age. It was amazing to watch all of the children who made colorful sketches. They were highly enthusiastic, determined and focused. Moreover Rtr. Nithya reported that they were also helpful towards one another in the overall process. The 'Sketch India' drawings were then put up together on a bulletin board and the children felt very proud about their artwork being put up there.

Subject : Observance of the Communal Harmony Campaign Week from 19th to 25th November 2015 and Flag Day on 24th November 2015 (Tuesday) of the National Foundation for Communal Harmony – materials regarding-

Sir/Madam,

The National Foundation for Communal Harmony (NFCH) observes the **Communal Harmony Campaign Week** every year from 19th to 25th November. The last working day of this week is celebrated as **Flag Day** of the Foundation. Accordingly this year also the Foundation will observe the Communal Harmony Campaign Week from 19th to 25th November and the Flag Day will be observed on 24th November 2015 on Tuesday. While the Flag Day spreads the message of communal harmony and national integration, it is also utilized for fund raising to augment the resources of the Foundation to carry on its activities under various schemes and projects as specified in the enclosed Brochure and to enable it to achieve the aims and objectives of the Foundation.

Besides promotion of communal harmony and national integration through a number of activities, the Foundation provides financial assistance to children rendered orphan or destitute in communal, caste, ethnic or terrorist violence for their care, education and training for their complete rehabilitation under the project 'Assist' of the Foundation.

NFCH had received a modest corpus from the Government of India in 1992. The interest accrued thereon is not adequate to carry forward our expanding activities. Therefore, while observing the Communal Harmony Campaign Week and Flag Day, the Foundation utilizes the

opportunity to generate additional resources by raising funds through voluntary contributions. For this purpose a sufficient number of flag stickers are being sent to your organization. The mission to promote communal harmony and national integration merits whole hearted support from all sections of the society. NFCH would like to appeal to you for your active participation to achieve its noble mission.

You are requested to organize intensive campaigns for sensitizing students, teachers and youth in your area about the need for fostering communal harmony, national integration and fraternity through seminars, essay/painting competitions, cultural activities, organizing marathon runs etc. You may send us the best three essays/ paintings of students of your school/college/institution on the theme of Communal Harmony and National Integration who will be awarded certificates by the Foundation. A brief report with photographs on the observance of the Communal Harmony Campaign Week would be welcomed and highly appreciated.
