#### *Module 4:*

#### **Outbound Initiative**

*Studies have shown that on an average an individual uses 15-20% of his/her potential and a larger part of the potential remains untapped. There is therefore a need to help people realize their full potential. Developing oneself as a productive individual and as an effective team player is the key to all success. Though there are various indoor training methodologies through which one can build a powerful personality, the best exploration of the self happens only when one surrenders himself to nature.*

#### **Objectives of the Program**

*Develop team spirit across the team and the Institution  
Develop 'team success' skills  
Have Fun.*

#### **Key benefits**

##### *Institution*

*Breaks the ice and helps students get onboard  
High level of motivation among students  
Builds positive attitude among students  
Creates a feeling of team spirit across the Institution*

##### *Individuals*

*Become more open and interact freely with people from the team  
Helps you become a more effective team player  
Build faith in the Institutions vis-a-vis personal growth  
Helps participants to showcase hidden talents*

## Module 4:

### Outbound Initiative

Studies have shown that on an average an individual uses 15-20% of his/her potential and a larger part of the potential remains untapped. There is therefore a need to help people realize their full potential. Developing oneself as a productive individual and as an effective team player is the key to all success. Though there are various indoor training methodologies through which one can build a powerful personality, the best exploration of the self happens only when one surrenders himself to nature.

### Objectives of the Program

Develop team spirit across the team and the Institution  
Develop 'team success' skills  
Have Fun.

### Key benefits

#### Institution

Breaks the ice and helps students get onboard  
High level of motivation among students  
Builds positive attitude among students  
Creates a feeling of team spirit across the Institution

#### Individuals

Become more open and interact freely with people from the team  
Helps you become a more effective team player  
Build faith in the Institutions vis-a-vis personal growth  
Helps participants to showcase hidden talents

### Methodology

Outbound activities like Web, Paper Bridge, How far you can reach etc

### Length of program

**About us**

SMI is India's first stock market institute where experts teach students all about Stock Market with using live trading. At SMI, industry experts teach an individual all that is required to earn money from the Stock Markets. These experts, with their vast experience and acumen on the happenings in the market, impart knowledge to our students with real time examples.

**Our Achievements-**

We have addressed over +172 different Educational Institutes across India since 2011. Most of them encompassing Bangalore, Mumbai, Kanpur, Mysore, Hubli-Dharwad etc. We have touched 1, 24,680 Individual's Lives in short span of 5 Years.

**Trusted by**

Christ University / Jyoti Nivas College / Mount Carmel College / East West College of Management / M.S.Ramaiah College of Arts Science & Commerce / Vagadevi Vilas Institutions/ New Horizon College / Maharani Lakshmi Ammanni College/ MES College & many more...

**One of the testimony**

East West College of Management: Dr. R. Chandra Moorthy (Director)

Talking to the Stock Market Institute team is a source of inspiration. We have engaged Stock Market Institute to conduct Capital Markets Courses which are entirely an activity-oriented program. The technical sessions have been brilliant. The resource team that has imparted knowledge to the students is really amazing with highly qualified people. I am sure that the knowledge they have shared with our students with their research-oriented teaching methodology, will help our students in more ways than one.

Thanks & Regards,

Prakash Choudhary

To:  
The Principal  
Surana College  
Bangalore.

Respected Madam,

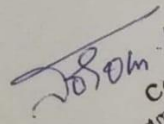

Sub: For permission to conduct classes from 8:30AM & Sunday's

As we were lined up with lot of activities like Student participation in seminars, industrial visits, add on course and internship programme , we have missed few classes . Also Add on courses for 2<sup>nd</sup> year MCom students is yet to be scheduled.

Thus we require your permission to start classes at 8:30 AM from 1<sup>st</sup> April 2017; we shall work from 8:30 to 4:30 PM (not disturbing the actual college timing's) and schedule the Add on course on Excel on Sunday's

Hoping that you would oblige our request.

## B.Com Entrepreneurship Awareness Camp 2017-18

Training

Entrepreneurship Awareness Camp (EAC)

- Proforma for Submission of Proposal

With a view to expose students as well as faculty of academic institutions, offering degree/diploma courses in S&T, to entrepreneurship as an alternative career, Entrepreneurship Awareness Camps (EACs) are conducted by nodal agencies in each State/Union Territory of the country. The implementing agency is usually either an educational institution or a professional body specialising in entrepreneurship development.

Each Camp, of 3 days duration, is conducted in the premises of an academic institution and aims at creating awareness among students about various facets of entrepreneurship while highlighting the merits of pursuing such a career option. In each EAC, about 75 students are exposed to different aspects of entrepreneurship, including opportunity guidance, services offered by agencies of support system etc. A visit to the industries located in the region is also arranged to bring the students in direct touch with practicing entrepreneurs.

Guidelines for Conducting Entrepreneurship Awareness Camps (EACs) in Educational Institutions

Programme Objective

To create awareness among faculty and students of Engineering and Science courses about various facets of entrepreneurship as an alternative career option as also to highlight the merits of pursuing such an option.

Target Group

Science and Technology graduates/diploma holders or those who are doing their final year diploma/degree in engineering/technology/science/commerce.

Venue

Within the premises of an academic institution.

Duration

Two days.
