ABOUT SURANA COLLEGE (AUTONOMOUS)

Surana College (Autonomous) was established under the aegis of GDA Foundation, in the year 1995 with a mission to empower individuals and communities.

With a legacy of three decades, the College is known for teaching ICT enabled industry curated curriculum. Through a multifaceted strategy that combines academic support, career guidance, skill development, and a supportive environment, students develop a holistic personality. Faculty members collaborate with the industry to create educational experiences that help students build their future professions.

Surana College is committed to impart "Quality Education & Training" leading to various professional degrees and aims to be a global Institution through continual improvement.

The college got accredited by NAAC with 'A' grade in 2013. It is reaccredited with 'A+' followed by grant of 'Autonomous' status under Bangalore University by UGC in 2021. The college has more than 85 Ranks in the university exams and Gold medals, National and International championships in sports and cultural competitions, and high impact research outputs. These are testament to the continuous improvement in the academic standards at Surana College. Faculty with a blend of academic and industry experience guide students to significantly improve their academic performance and excel in their career. Rooted in Indian culture with a global outlook, the institution is a perfect place for imbibing holistic vision.

At Surana College, **STUDENT LIFE** extends beyond the classroom. It is a journey of self-discovery, skill-building, and creating unforgettable memories, all within a vibrant and nurturing environment.

Surana College is a thriving center of student life, offering a dynamic campus filled with opportunities for academic success and personal growth. With well-equipped facilities in the heart of the city, Surana College fosters an environment that supports both intellectual and personal development.

The campuses provide a balanced blend of tranquility and energy, meeting the diverse needs of its students. Quiet spaces for focused learning coexist with vibrant areas for social connections and collaboration. Beyond academics, dedication to holistic education is reflected in its co-curricular and extra-curricular offerings that empower students to explore their passions and reach their full potential.

Extra-curricular activities play a pivotal role in Surana College's approach to education. Students can immerse themselves in a variety of clubs and organizations, based on their interest. Surana College also boasts a strong sporting culture, providing top-notch facilities and fostering teamwork and camaraderie through exciting intercollegiate events.

Having students from various cultural and social backgrounds, Surana College celebrates inclusivity and cross-cultural engagement, and creates ample opportunities for students to connect, collaborate, and broaden their horizons in a supportive environment.

Program Overview

In today's digital era, a Bachelor of Computer Applications (BCA) equips you with the skills to thrive in the ever-evolving IT industry. From programming and AI to cybersecurity and cloud computing, this course prepares you for cutting-edge careers in technology. Join now and shape your future!

The department has bagged 19 university ranks.

Bachelor of Computer Application

Professional	General
Cyber Security	Artificial Intelligence & Machine Learning Full Stack Development Data Science

Highlights

Global Learning for Academic Mobility (GLAM)
Institution's Innovation Council (IIC)
Business Lab Simulation
Toastmasters International

KEY FEATURES

- **Modern Digital Infrastructure:** Access to state-of-the-art computer labs and advanced technology to meet the dynamic demands of the IT industry
- **Industry-Aligned Curriculum:** Courses designed to reflect current trends in technology, ensuring students gain relevant and in-demand skills
- **Skill-Based Training:** Opportunities for certifications in cutting-edge technologies, such as Python, Cloud Computing, AI, Data Visualization and Cybersecurity
- **Experienced Faculty:** A team of highly qualified educators and industry practitioners committed to mentoring students through innovative teaching methods and real-world projects
- **Pre-Placement Training:** Specialized programs, including collaborations with industry leaders to enhance employability and prepare students for competitive job markets

SPECIALIZATIONS

- **Artificial Intelligence and Machine Learning**
- **Full Stack Development**
- **Data Science**

VALUE-ADDED COURSES

- MERN Stack Development
- Internet of Things
- Cloud Services and AWS
- Generative AI
- Cybersecurity

PLACEMENTS

At the Career Guidance and Placement Cell (CGPC), the students' aspirations take the centre stage where they are not only prepared for a job, but for a fulfilling and impactful career journey. The commitment revolves around empowering students to go beyond becoming a professional, to become a beacon of positive change in their chosen fields.
