ABOUT SURANA COLLEGE (AUTONOMOUS)

Surana College (Autonomous) was established under the aegis of GDA Foundation, in the year 1995 with a mission to empower individuals and communities.

With a legacy of three decades, the College is known for teaching ICT enabled industry curated curriculum. Through a multifaceted strategy that combines academic support, career guidance, skill development, and a supportive environment, students develop a holistic personality. Faculty members collaborate with the industry to create educational experiences that help students build their future professions.

Surana College is committed to impart "Quality Education & Training" leading to various professional degrees and aims to be a global Institution through continual improvement.

The college got accredited by NAAC with 'A' grade in 2013. It is reaccredited with 'A+' followed by grant of 'Autonomous' status under Bangalore University by UGC in 2021. The college has more than 85 Ranks in the university exams and Gold medals, National and International championships in sports and cultural competitions, and high impact research outputs. These are testament to the continuous improvement in the academic standards at Surana College. Faculty with a blend of academic and industry experience guide students to significantly improve their academic performance and excel in their career. Rooted in Indian culture with a global outlook, the institution is a perfect place for imbibing holistic vision.

At Surana College, **STUDENT LIFE** extends beyond the classroom. It is a journey of self-discovery, skill-building, and creating unforgettable memories, all within a vibrant and nurturing environment.

Surana College is a thriving center of student life, offering a dynamic campus filled with opportunities for academic success and personal growth. With well-equipped facilities in the heart of the city, Surana College fosters an environment that supports both intellectual and personal development.

The campuses provide a balanced blend of tranquility and energy, meeting the diverse needs of its students. Quiet spaces for focused learning coexist with vibrant areas for social connections and collaboration. Beyond academics, dedication to holistic education is reflected in its co-curricular and extra-curricular offerings that empower students to explore their passions and reach their full potential.

Extra-curricular activities play a pivotal role in Surana College's approach to education. Students can immerse themselves in a variety of clubs and organizations, based on their interest. Surana College also boasts a strong sporting culture, providing top-notch facilities and fostering teamwork and camaraderie through exciting intercollegiate events.

Having students from various cultural and social backgrounds, Surana College celebrates inclusivity and cross-cultural engagement, and creates ample opportunities for students to connect, collaborate, and broaden their horizons in a supportive environment.

Program Overview

In today's fast-paced and complex world, mental health and human behavior are more important than ever. A Master's in Psychology provides advanced knowledge and practical skills to address and provide professional assistance for various psychological challenges faced by individuals, organizations, and society. A master's degree in psychology not only enhances professional expertise but also empowers individuals to make a meaningful impact on mental health and human well-being worldwide.

The department has bagged 21 university ranks.

KEY FEATURES

This MSc in Psychology program offers a blend of academic excellence, hands-on experience, and personal development, preparing students to make a significant impact in the field of mental health and human behavior.

- **Specialized Curriculum:** Offers in-depth courses in counseling theories and techniques, psychological assessment, trauma and crisis intervention, developmental psychology and group counseling, tailored to diverse populations
- **Research and Innovation:** Encourages student-led research projects on emerging topics in counseling psychology, with opportunities to present at conferences and publish in reputed journals
- **Career Outcomes:** Alumni have excelled as counselors in hospitals, schools, rehabilitation centers, corporate wellness programs, and NGOs, or pursued higher studies and licensure as clinical psychologists

VALUE-ADDED COURSES

- Computer Skills for Psychologists
- Basics of Cognitive Retraining
- Introduction to Psychological Therapies and Intervention
- Organizational Behaviour for Clinicians
