## SUMMARY

Master's graduate in Ancient Indian History, Culture, and Archaeology with academic training in archaeology, heritage conservation, and museology. Experience includes digital documentation and 3D conservation of inscriptions with the Mythic Society, Bengaluru, involving preservation and processing of inscriptional data. Additionally, involved in coordinating academic study tours and experiential learning programs for educational institutions, integrating classroom learning with field-based cultural exposure. Having appeared for the UGC NET in History, I bring a strong academic orientation and subject proficiency. My interests lie in Digital Archaeology, Heritage documentation, Archival practices, Museum studies, and Conservation.

## WORK EXPERIENCE

### Assistant Coordinator | The Explorers, Mumbai

February 2025 - June 2025

- Designed and supported heritage-focused experiential learning programs aligned with academic curricula
- Liaised with faculty and institutions to integrate field-based learning into academic frameworks

### 3D Digital Conservation | The Mythic Society, Bengaluru

June 2023- July 2023

- Conducted digital documentation of inscriptions from Bengaluru (Urban, Rural) and Ramanagara districts
- Assisted in 3D scanning and processing of inscriptional data
- Worked on segmentation (cropping) of inscriptional characters for digital archiving and software development
- Gained exposure to Digital Archaeology and Heritage Preservation techniques

### Yuva Bengaluru Foundation | Data Collection and Survey Intern

June 2023

- Collection of data at Government schools with respect to quality of education and facilities provided
