PROFILE

Dedicated Psychology professional with teaching experience in Positive Psychology, Psychological Testing, and Statistics. Skilled in mentoring students and simplifying complex concepts through engaging teaching methods. Proficient in Jamovi and SPSS, with a strong interest in research and academic development. Seeking opportunities as a Research Assistant and Assistant Professor to contribute to teaching, research, and student growth.

EXPERIENCE

Assistant Professor

REVA University (August 2024-November 2025)

- Taught courses in Statistics in Psychology, Positive Psychology, Statistics Theory, Statistics Practicals, Psychological Testing, and Research Methods for undergraduate and graduate students, using Jamovi, JMP, and SPSS.
- Guided students in final-year dissertations, offering mentorship in research design and data analysis.
- Developed comprehensive course materials for undergraduate and graduate programs across relevant disciplines.
- Facilitated engaging classroom discussions to enhance student learning experiences.
- Mentored students on academic and career pathways during office hours to support their development.
- Created detailed lesson plans and instructional materials aligning with required topics and learning objectives.
- Led alumni relations initiatives, fostering connections and networking opportunities between graduates and current students.
- Coordinated Competitive Exam Club efforts, mentoring students in exam preparation and academic development.

Achievements

- Qualified K-SET in 2026
- Qualified for GATE in 2025
- Qualified UGC NET in June 2023

Assistant Professor

- Sanatana Arts & Science College, Kannur University (July 2024 – August 2024)
- Facilitated engaging classroom discussions to promote effective student learning experiences.
- Evaluated student performance through assignments, exams, and comprehensive feedback sessions.
- Mentored students on academic and career pathways during scheduled office hours.
- Utilized diverse teaching styles to accommodate varying learning needs of each student.
