Mrs. Mini K Abraham, Associate Professor, HOD, Department of Commerce

Mr. Muralidhara, Associate Professor, HOD, Department of Management

Student Editors:

Mr. Pavan Venkatesh , Illyr BCA

Ms. NoorJahan, Illyr BA Journalism

PRINCIPAL'S MESSAGE

Going to college was all about pursuing your dreams, walking consciously towards your goals.

You had come to Surana College with dreams in your eyeswouldn't it be lovely to relive those dreams ? Days come and go. But the most important thing is to cherish your human connections, your relationships with your alma mater and friends.

An African fable, depicted often in a wall poster says "A lion wakes up in an African Jungle and says 'today I should run faster than the slowest deer so I can have lunch.' At the other end of the jungle, a deer wakes up and says 'today I should run faster than the fastest lion to stay alive". The moral: "whether you're a lion or a deer, wake up and run."

College life continued to be full and vibrant with wonderful cultural displays, academic excellence (Bangalore University ranks) and other events which continue to contribute to the vitality and diversity of this college. Yes, it was "wake up and run" which has kept us going and surviving in the competition that we face.

In our collective quest to revitalize the alumni association we release this newsletter. We are always glad to receive a visit from our alumni and look forward to the alumni meet.

The alumni co-ordinators have named the 12th of March this year in our college calendar as Alumni Day. We hope this will become a tradition. Your participation will open up the following –

- Reconnect with friends and teachers
- Interact with current students and get an inside look at life on campus
- Suggestions to bridge the gap between academics and industry

Help make this alumni meet a grand success with your participation.

We look forward to meeting you again and wish you all the best.

Sakuntala Samuelson

Report from IQAC, Surana College

'Deliver what is required' is one of the definitions of QUALITY.

To ensure the Quality in our academic, curricular and co-curricular activities, Internal Quality Assurance Cell (IQAC) was established. IQAC has been functioning as per the Framework suggested by the NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC).

College was accredited with 'A' Grade by NAAC on 21st Feb 2014.

A few features :

- **More than 28 University ranks**
- **Permanent affiliation to Bangalore University.**
- **ISO 9000 :2008 Certified Institute status**
- **Representation in National and International sports events especially in Hockey, swimming, Volley Ball, Athletics etc.**
- **National representation by NCC& NSS wings of the college**
- **Significant representation in Theater, small screen as well Big screen in the state.**
- **Plug & Play facility in the class room to facilitate ICT delivery**
- **Digital Library Facility**
- **Initiation of academic and administration audit: Green Audit, Energy Audit.**
- **Collaborative Research activity with industry by Science Departments of the college**
- **Regular FDPs, Workshops, Seminar, Conferences**
- **Community outreach programs**
- **Periodical parent teacher meetings**
- **Involvement of alumni in activities of college**
- **Add on and certificate courses for all UG & PG Programs**
- **Excellent placement of students - career guidance & placement cell.**

Receiving NAAC report from NAAC Peer team

BBM ALUMNI

BANUPRIYA.M

Senior HR Executive- Societe Generale

As a proud alumna of Surana College (2011-2014), it gives me immense pleasure to state that this model educational institution has moulded me successfully. Apart from imparting education the teachers inculcated moral values in us. From classroom lectures, fest, internships and field trips we were encouraged to strive for excellence. A home away from home is how the college felt everyday and I am thankful for every bit of support I have received here. Lastly, I must say that most of my friends and I have been placed in top notch companies today. Cheers!!!!

JAI DEV CHINCHOLIKAR

Lead Treasury Analyst- Flipkart

The support I have received from the Department of Management and from the College has helped me to manage my job as Aviation Professional as well as complete my Graduation with flying colors.

During the course of my study, I received numerous opportunities in the form of inter-collegiate fests within the state and also at the national level.

The placement opportunities made available by the college helped me to get placed with Flipkart, where I joined 20 days after my last semester BBM examination.

Bharath narayan bharathatk@gmail.com – B.Com Alumni Batch: 2010-13

If you really want to do something you will find a way out but if you dont want to then you will find an excuse ' Bharath, has been one of those youngest achievers to have seen success at the earliest. He is one of those persons who is very calm and composed. Hardwork and success come together but in two ways. Choose the easier way and you learn nothing but choose the harder way you learn a lot. Every obstacle you face teaches you something very deep. Acknowledge it to grow better.

Bharath believed in the "make India" concept and decided to be an entrepreneur, he borrowed loan from the bank and began his block factory. He had his share of uphill battle to see success. At the mean time, he has also started an academy which helps children of tenth grade upto twelfth grade to study better and gain better scores. Bharath says' education is not a preparation but it is life. Everything that we learn is education and how we make use of it is what matters.

Sowmya Shankar – B.Com Alumni (Batch : 2012-15)

I, completed my B.Com with distinction in Surana College. When it comes to my experience in this college, I feel immense pleasure to talk about it. My 3 years of journey in this college cannot be told in just 2 or 3 sentence but still I would like to share a few of it. I would like to thank all faculties who is the main reason for my success and all B.Com department faculty are very supporting and they support us in each and everything we do. There is also placement cell which gives many job opportunities & I even feel great to say that i was placed in Northern Trust Company. Apart from education there are many fest n activities conducted throughout the year which helps students to showcase their talent & get recognized. I feel proud to be part of this college & I wish to be associated with this college in future as well. Sowmya Shankar – IV Rank, B.Com, Bangalore University Gold medal for securing highest in final year B.Com, Bangalore University

Prateek Khurana – B.Com Alumni Batch: 2012-2015

Illusion of Happiness.

Days of present spent for a secure future,
And future buried in thought of past.
Hollow space of thought is where I lived,
Inspired by cloud of dreams I had.

For now I run for it,
Try to reach and even suffer for it,
With the consequences in life,
Will be lost and be away from myself.

Days of future reserved to try and return,
To the dreams I had pictured,
Will be pale till I am burnt to ashes,
With a life which is meaningless and less defined.

Perhaps, illusion of happiness is all I found,
The happiness which I could have lived on.

Sharath. Y.B Arya – B.com Alumni 2012 - 15

What I am today, it is because of my parents & Surana College. I learnt many things from the college. My college moulded me completely, I got respect from my parents & in my native place because of I came to Bangalore and graduated. It makes me proud. When I got placed by college for a company ICICI Protectional Life Insurance Company. My Parents were so happy. Now I am working for Deutsche Bank. Thank You Surana College.

Soundarya R – B.Com Alumni - Batch 2011-14

After my B.com I got placed in Infosys co pvt ltd as process executive. Presently I'm studying MBA 1year in correspondence in sikkim manipal university..with this I'm also entered in to acting field, I started my career as an artist from feb 2015, did 2 serial's in Kannada "suvarna channel" that is "anthapura" heroine friend character and one in Tamil "kalaginar channel".. 4 to 5 films in kannada that is kabira, cherry, suparisurya as heroine friend character, did one item song dance in kannada movie called "kichakaru" all movies need to relise still and right now I got as a lead heroine in upcoming kannada movie, shooting is in progress More 2 to 3 film i signed as a heroine ...so I'm continuing my profession as a film artist...

Priyanka D.R. – BA (Psychology) Alumni (Batch: 2008-11)

"When I opted psychology after PU, it was just an additional subject with journalism for me. But today, it's the subject of my choice in my Masters... This transition wouldn't be possible without the psychology department of Surana College, especially the faculty members... their guidance and this discipline has changed many lives, including mine. Apart from the regular curriculum, the psychology wall mag, various seminars, discussions and group activities have helped me to learn and analyze the subject better"

Chetan S.V. – BA (Psychology) Alumni (Batch: 2009-12)

After studying PUC at Surana, I realized that this was the best place to continue my higher studies, since I was aware of the conducive learning environment that prevailed here. I had a great learning experience throughout the course because the teaching was student-centric; the faculty members and my peers were very supportive, and encouraged me to thrive in academics as well as extra-mural activities. I'm glad to have been a student of Surana from PUC to PG, and it goes without saying that I owe a debt of gratitude to all my teachers and the management of the college for their constant facilitation in all my academic endeavors.

Bhaskar Ramamurthy and Balaji Ramamurthy – BCA Alumni (2004-07) Batch

Surana College has been the most rewarding experience of our life. The college educates students in a very creative way and constantly encourages them to think out of the box. The dedication, support and motivation of each of the staff member is remarkable and enables students like us to achieve our dreams. The courses are designed to provide students with both training for employment and preparation for further studies.

Experience at Surana College has helped in career advancement and attaining a responsible and technically challenging position in leading-edge Software Company. Along with that goes an increased sense of self-esteem and a feeling of accomplishment and personal satisfaction"

Nitin Shenoy - BCA Alumni – (2007-10 batch)

Though a Masters of Software Engineering graduate and working in a software company, I have developed my passion for wildlife since childhood. While there are lots of wild animals which need to be conserved, I started my little steps through snakes which seem to require major attention in metropolitan cities. Eventually, I broadened my knowledge about species found in the environment and learnt handling them with proper care and skill. Been volunteering as a wildlife rescuer since 2009 for rehabilitation of wild animals and birds which come into human conflicts. As a whole, rescued more than 3000 snakes and hundreds of birds in schools, companies, factories and homes at different areas of Bangalore. Later, got trained in the Volunteers Training Program (2014) held at Nagarhole National Park, Karnataka, India and got certified as a "Certified Eco Volunteer" to assist forest department activities. Currently, living my passion as a naturalist guiding and educating wildlife enthusiasts in the wilderness camps, seminars, college concepts and photography workshops we conduct through a company called *SoulScope*.

With the motto of "Conservation of Wildlife" I intend to reach as many people as possible to spread a sense of awareness about the vital importance of our Flora and Fauna.

Praveen Kumar - BCA Alumni (2005-08 Batch)

Praveen Kumar is one of the youngest achievers to start a company by name "**Apps on Click**".

Apps on Click – as the name suggests we build Mobile and Web App. Our USP is in line with our tag line – We deliver your ideas!

The company was founded in 2014 by 5 entrepreneurs. All the founders have worked in several MNCs and startups in different IT streams ranging from IT services to Telecom and Hospitality domains.

We all come from different backgrounds though all from IT Industry. Having different skill sets and coming from various backgrounds gave us an advantage. We broke down tasks and assigned it to each person and since everyone is a stakeholder it was a matter of going down the list and getting things done.

On 9th August 2014, Apps on Click held a successful Mobile technology event at Surana College Bangalore, India. This event was attended by Final year BCA students with an interest in Mobile application development.

My JOURNEY at SURANA COLLEGE
Siddarth Chordia – BCA (2004 – 2007)

The name 'Surana College' in my life has changed me as a person drastically with respect to **knowledge, skills, and approach towards life.**

The college had accepted me as an average student, with 55% in 2nd PUC and converted me to a brilliant student who just did not achieve 80.52% at the end of graduation but also improved me as one amongst the best programmers in the class. It has set me with the best career opportunities.

Characteristics that changed my life during the journey at **Surana College**

- **Knowledge** not only in terms of studies (BCA – Bachelor of Computer Applications), it also added to enhancing my general knowledge in all fields.
- **Skills:** The **ESOTERIC club** which plays a major role in the life of a student in this college tuned my soft skills, gestures, ability to speak in public. This has helped me present my best to the world with effective communication.
- **Approach towards life:** My Guru's (HOD and teachers) had not only taught me the curricular subjects but also trained me on how to react to situations in life. With their love I have learnt not to lose hope and fight for what I want to achieve. The support from College has made me pro-active in various aspects like, the development (coding), enrollment in competitions, sports activities like Table Tennis and Cricket. "Winning is not all that important, but participation is", this is what they have always preached us to believe in.

At every stage of my life at this college, I always got support from the college and department for my academics. Today being an alumnus, I can proudly say that the back bone for my success has been Surana College.

Madhuri BN (2008-11 Batch)

BCA Alumni

email-id: madhuri.bn.25@gmail.com

Phone-num: 9901647738

I am Madhuri BN , I Completed my BCA from Surana College (2008- 2011).

Studying in Surana especially being a part of our Computer Science department, was a very enriching learning experience. Apart from our Curriculum, I got so much more exposure as to how the corporate world challenges occur, I sought after a lot of multidimensional learning skills like Time Management, communication Skills, Technical Skills, Logical thinking, Management most importantly

Team work. We had a lot of opportunities that came along our way like intercollegiate fests and campus interview's. Surana college, our Department mainly Esoteric played a major role in kick-starting my career in the Corporate world.

I am very thankful to be a part of the Computer Science department, which is like family to us Alumni's. Also, very grateful and lucky to be a part of our department club "Esoteric".

Finally I would like to say that, I am very Proud to be a Suranite.

Rohith SA (2007-10 Batch)

BCA Alumni

I would like to stop and take some time to re-live the time I spent in my college.

Our college provided us the best in everything - the teachers, labs, library and facilities. Our college helped me learn a lot more than just what was in the syllabus. They taught me effective problem solving techniques, enabled me to improve my decision making capabilities, to work as a team and to be a respected team player.

Our college provided us a wonderful forum called Esoteric which has helped in overall development - To build competence, identifying individual talent, overcoming fear of the unknown.

It gave me the spark with which I started off with my career and have been able to achieve great heights in all aspects of life.

It gives me a proud feeling when I think back about my college and the opportunities it provided me.

I must really thank my HOD and all the mentors for shaping me and directing me in the right direction.

Siddharth Lunia (2005-08 Batch)

BCA Alumni

I am Siddharth Lunia, a part of the BCA class of 2008. BCA at Surana College for me was the best 3 years spent in my life and goes into the golden pages of my autobiography. To start off, we had a brilliant setup at the Computer Science department, which consisted of a motivated and knowledgeable team of faculty headed by Mr. A Srinivas. They were not only a source of knowledge, but also wisdom for all of us. The department along with students also ran an IT club called The Esoteric, which conducted extra-curricular activities, where we chose our areas of interest. It was here, where I got a chance to identify my key strengths and hone my skills apart from academics. Further on, I got chance to showcase these at various forums including the Inter Collegiate Fest and other walks of life. They say All's well that ends well, and for me It ended with a scholarship for an MS program with BITS Pilani, a job at SAP labs, a bunch of lifelong friends and teachers. Five years have passed by and here I am still finding ways to thank the Captain and his crew members for the amazing sail through they gave us. It's been a joy ride ever since.

Siddharth Lunia
