A QUALITY ENHANCEMENT INITIATIVE**

**Dates: 29<sup>th</sup> January 2024 – 2<sup>nd</sup> February 2024**

**Venue: Seminar Hall, Surana College Autonomous, South End Road, Bangalore -04.**

## About The Faculty Development Program

Teaching, Learning and Research Ecosystem is a training program designed with a holistic approach for Learning Facilitators and disseminators to blend their academic and real-time learning experiences that basically stimulate their intellectual mindset. In India, teaching and research community requires rigorous learning environment backed with sophisticated technology through modern methods, approaches, and techniques to effectively fulfil their task for our next-generation student community.

SEI is organizing a 5 - day Faculty Development Program to enhance the learning horizon, knowledge acquisition and dissemination, to provides a unique platform for the budding researchers and educators to engage with expert resource persons to strengthen their teaching and research assignments.

This FDP will provide experiential learning platform on various tools & techniques of teaching in HEI, accelerating the trending research outcome from various disciplines through multi-disciplinary and trans-disciplinary approach required for today's dynamic world.

## Objectives of the FDP

The FDP will be extensively focused using case studies, discussions, hands-on tools and techniques of learning and research, deliberation along simulation approach.

1. To enhance teaching and research approach with technological integration.
2. To equip the participants with AI Tools in Research Paper Writing.
3. To enrich the learning environment with Case based teaching in HEIs.
4. To foster the process of 'un'learn to 're'learn for effective learning ecosystem.
5. To promote outcome-based learning with blended learning approach.
